Totals of all RETAIL parts sales under 40% Gross Profit						2,636.82	1,979.10	657.72	24.90%		27

Automatically flag all parts sale transactions that fall below a specific Gross Profit percentage, determined by you.

For example, you might want to see:

All Retail sales below 40% (and highlight below 30%)

All Wholesale sales below 25%

All Internal sales below 20%

Sort and subtotal by Parts CounterPerson
